

Exhibit A Questionnaire

Thank you for your interest in NYSE data. This questionnaire is intended to simplify user application requirements while furnishing customers and data providers with the information needed to sanction the release of market data. Please follow the instructions below and answer all questions accurately and thoroughly to ensure timely processing of your market data request(s).

Customers should complete a separate questionnaire for each market data source (or consult your NYSE account manager for further instruction). One questionnaire may include several sites utilizing a single market data vendor source. If more than one location/environment exists with different levels or controls, a separate questionnaire must be completed for that location.

All customers who wish to receive market data via a data feed are required to complete and submit this Exhibit A. In addition, NYSE requires:

- 1. Executed copy of the Vendor Agreement (if currently not on file)
- 2. Datafeed request(s) submitted by your data provider to NYSE on your behalf

All required documents should be executed and returned to your account manager or:

New York Stock Exchange LLC

SECTION II – Non-Display Usage

Where appropriate, customers are to identify and confirm their Non-Display Use of real-time NYSE Market Data. Non-Display Use is broken down to three (3) categories:

Category 1:

Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is on its own behalf as opposed to use on behalf of its clients, including the creation of derived data (e.g. indices, financial products, etc.) for internal use.

Category 2:

Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is on behalf of its clients as opposed to use on its own behalf, including the creation of derived data (e.g. indices, financial products, etc.) for its clients use.

Category 3:

Fees are applicable when a data recipient's Non-Display Use of NYSE Market Data is, in whole or in part, for the purpose of internally matching buy and sell orders within an organization. Matching buy and sell orders includes matching customer orders on a data recipient's own behalf and/or on behalf of its clients. This category includes, but is not restricted to, use in trading platform(s), such as

NYSE Trades & NYSE BBO data.

A.	Will your firm externally redistribute NYSE proprietary data stored from the realtime feeds?	Yes No
	Please see the policy regarding the External Redistribution of Real-Time NYSE Proprietary Data F	Products in the
	Comprehensive Policy Package.	

SECTION V - Technical Control & Data Display

* This section is required and must be completed and approved by NYSE prior to receiving real-time market data

1.	NYSE has display it	al and Administrative Control as a device-based rate structures and requires data recipients to account for all devices that have been technically enabled to as data. To ensure the number of users with access to NYSE Trades & NYSE BBO data (via displays and/or data feeds) being each month is accurate, NYSE requires firms to have an entitlement system in place.
	A.	Does your firm have the technical ability to control each entitlement to NYSE Trades & NYSE BBO data?
		Datafeeds
		Name of Entitlement System: Product Name / Version:
	В.	Is this a Proprietary System? Yes No No N/A
		If yes, please explain the system's functionality and its ability to produce reports. Please include as much detail as possible and attach a sample report for review (attach a separate sheet if necessary). Your entitlement report should contain the following fields: Unique User ID Product Name Activation Date De-Activation Date Level of Access/Max Count .
	C.	Please explain, if any, the dataflow between your permissioning and reporting databases:
	is able to	Ill firms receiving a data feed are subject to an audit of their entitlement reporting methods. Unless the entitlement systems of provide accurate historical/audit information, NYSE reserves the right to bill for all devices on your network. For audit is, all entitlement systems should have the ability to generate (in .csv or .txt format) and store entitlement reports for a final less than three years and feature the following: 1. Separate and unique ID/Passwords for each user which are not shared 2. Prevent simultaneous access to the data by the same user ID/Password 3. Generate monthly entitlement reports for each product to identify those users who are entitled and those who are not entitled to receive a specific data providers' market data 4. Provide an audit trail identifying each entitlement transaction (additions, deletions, etc.) on a product level
	D.	Does your system have the ability to perform all of the above?
		If no, please explain:
	E.	How are device entitlements controlled? Terminal ID basis Yes No User ID / Password Basis Yes No Other (explain) Yes No If yes, explain:
	F.	Location(s) where entitlement control will take place (if different than install address)?

1. Reporting Obligations

The NYSE requires customers/vendors to submit a total inventory of each product and professional subscribers utilizing NYSE Trades & NYSE BBO data. This report should be submitted by the second to last business day of each month and is required to ensure accurate invoicing by NYSE either directly to you or your client. (Please refer to NYSE's *Reporting Fact Sheet* for more information and instructions on products codes and reporting)

Please check the box(es) corresponding to reporting requirements applicable to your use of the data:

		INTERNAL Users (Employees) Any organization providing NYSE Trades & NYSE BBO data to their employees are required to report the number of users on a monthly basis. In addition, NYSE requires them to maintain records indicating the company name, installation address, number of accesses, inventory changes, type of service and the date that service began/terminated.
		PROFESSIONAL Subscribers (Non-employees) Vendors providing NYSE Trades & NYSE BBO data to non-employee professional subscribers will be required to obtain NYSE approval, maintain records indicating the company name, installation address, number of accesses, inventory changes, type of service and the date that service began/terminated. * NYSE will use this information to invoice subscribers directly
		NONPROFESSIONAL Subscribers Vendors providing NYSE Trades & NYSE BBO data to nonprofessional subscribers will be required to maintain records of the name, address, employer and job function of their nonprofessional subscribers and only report the total number of nonprofessional subscribers who accessed Real-time data at least once during that month. * NYSE will use this information to invoice your firm directly
		DATA FEEDS Vendors providing data feeds will be required to obtain approval from NYSE prior to providing data to subscribers. Vendors will be required to maintain records indicating the company name, installation address, data product and date that service began or was terminated.
2.	-	ng Method elect the method of reporting you will use:
		NYSE Reporting Website Report directly on the NYSE website * This option is highly recommended for vendors who do <u>not</u> have a large professional subscriber base.
		File-based Reporting Report to NYSE via file based reporting - VRXML file * This option is highly recommended for vendors who have a large professional subscriber base.
		Third Party Reporting Facilitator
		Explain:

EXHIBIT A - NYSE TRADES & NYSE BBC

Personal Data

Handling of Personal Data. The defined terms in this paragraph shall have the respective meanings set forth in the Additional Terms. Where the parties are subject to data protection laws and regulations and where Personal Data is transacted between the parties, certain additional terms and conditions set out in NYSE's Privacy Policy (here: https://www.intercontinentalexchange.com/privacy-policy) and Additional Terms are applicable to this Agreement. The Additional Terms located here:

https://www.theice.com/publicdocs/Additional_Terms_EU_Subscribers.pdf shall be incorporated into and form part of this Agreement. In the event of conflict with any other terms of the Agreement, the Additional Terms shall prevail.

Certification

Customer undertakes to promptly inform NYSE of any material changes pertaining to the use of information in a materially different manner than reflected on this Exhibit A. Customer agrees to comply with all obligations (e.g., reporting and payment of fees) set forth in the Vendor Guide and all policies posted on https://www.nyse.com/market-data/pricing-policies-contracts-guidelines and https://www.theice.com/market-data/indices/ice-data-global-index-feed to the extent relevant to the services in this Exhibit A, and to the extent not in conflict with the Agreement related to the relevant services ordered in the Exhibit herein.
